Bahrain
the island of golden smiles

Welcome to Bahrain

The kingdom of Bahrain is an archipelago of 33 islands and has a population of over one million, with millions of tourists visiting annually. The history of Bahrain goes back more than five thousand years to its role as the center of the ancient civilization of Dilmun which dominated the trade routes between Mesopotamia and the Indus Valley.

Bahrain is referred to as the “pearl of the gulf” because of it being an ideal island and its history of expert pearl diving. In fact, pearl diving was the main stay of the country’s economy before oil was first discovered in 1932. With this discovery, the nation embarked on a new era in the development of its economy. Today Bahrain is one of the world’s top financial centre.

Recently Bahrain has experienced much in the way of modernization and alongside the ancient forts and traditional souqs. You will find towering skyscrapers and luxurious residential areas. Yet, Bahrain maintains its true sense of Arabian hospitality.

Bahraini’s are warm, friendly and loving people with a deep national pride and keenness to help.

Bahrain was conquered by the Al Khalifa dynasty in 1783 when Shaikh Ahmed Al Fatih became the first ruler of Bahrain. Ten generations later descendant H.M.King Hamad Bin Isa Al Khalifa transformed Bahrain into kingdom in year 2002 with a constitutional Monarch as its head. He also introduced elections for parliament. HRH Prince Shaikh Khalifa Bin Salman Al Khalifa is the Prime Minister and HRH Shaikh Salman Bin Hamad Al Khalifa is the Crown Prince and commander in chief of Bahrain Defence force.

In light of this, Farhat International Tour has designed the perfect itineraries for you to discover Bahrain.

- A cruise ship is a floating resort, with more luxurious options than a resort! You can fill your days with sightseeing, sports, cultural lectures and tours. At night, enjoy Broadway-style shows, musical revues, nightclubs, gaming, movies or a quiet evening gazing at the stars.
- The hassles of an ordinary vacation are completely eliminated. You don't have to worry about dinner or nightclub reservations, travelling from one destination to another, or packing and unpacking more than once.
- Depending on your mood, you can dine in an elegant dining room setting,, a small bistro or casual open air restaurant. Enjoy gourmet exotic fare, favorites like steak, pizza and ice cream or healthy Spy Cuisine.
- With hundreds of ships, and over 1800 ports of call there is a perfect cruise for you. Pre- or post-land tours give you even more choice.
- Cruise ships are the best choice for family vacations. Children's programs, kid-friendly menus and exciting activities will keep your children happy, while giving you some well deserved time alone.
- You'll meet new friends who share the same tastes and interests as you.

Family Dining Cruise lines ensure that families enjoy lavish meals together and also offer alternative dining options to spend a quiet evening without the kids. COSTA has **THEMED DINNERS JUST FOR KIDS** with menus designed for them too.

Kids Programs Family-friendly cruise lines offer fun-filled programs staffed by certified youth counselors, both on days at sea and while the ship is in port. Children & Teens are organized by age into groups, with different activities in separate playrooms.

Shore excursions are interesting, educational and high adventure experiences. norwegian cruise lines have Family Friendly excursions with the perfect activity level and interest for all. **On Great Stirrup Cay their private island in the Bahamas**, guests enjoy both a sea-facing beach and a lagoon beach with all sorts of lounge chairs, hammocks, and picnic tables, huge inflatable water toys and slides, water sports, Dolphin and Sea lion encounters, as well as complimentary refreshments and lunch.
