

GOLF

## *Welcome to Magnolia Park*

Set in over 200 acres of stunning countryside, Magnolia Park is one of the most challenging and picturesque golf courses in the country. Our golfing facilities are first class, with a 7,000 yard, Championship course that is suitable for players of all standards, yet offers real challenges, even for the Pros.

## OUR CHAMPIONSHIP COURSE

---

Constructed to the very highest specifications and in fantastic condition all year, Magnolia Park Golf Course was built in 1997 and designed by Jonathan Gaunt, who is responsible for the design of many Championship courses. It's often been described as the closest a parkland course can be to a Links.

Magnolia Park is not a course to be taken lightly. Played from the forward tees, the subtle undulating fairways will offer an exciting game for golfers of all abilities, whilst the competition tees give the more experienced golfers a course with Championship potential.

With undulating fairways which meander through natural valleys, lakes and streams, the course has several signature holes including the 2nd, a Par 3 surrounded by beautiful woodland with the green tightly nestled behind one of our many natural lakes. On the back 9, the Par 4 15th is one of our many risk and reward holes, and with a gentle dogleg right and water protecting the green, a long drive could make or break your scorecard.

Throughout the year, Magnolia Park hosts a number of national tournaments, Pro Ams and Celebrity Ams including the Tony Jacklin CBE Golf Classic, the Jamega Pro Golf Tour, the Derek Redmond Celebrity Am and the national inter-schools tournament run by the Independent Schools Golf Association.

“I’ve played on courses all over the world and Magnolia Park sits alongside the very best. As well as being set in a stunning location, the whole club has a fantastic welcoming feel and is a true home away from home.”

- Tony Jacklin CBE

# TONY JACKLIN GOLF ACADEMY WITH 3D GEARS GOLF

We have developed the wonderful new Tony Jacklin Golf Academy, alongside the two-time Major winner and legendary Ryder Cup Captain which offers a purpose-built teaching centre featuring the latest technology with the exclusive 3D Gears Golf system, The Putting Lab and the GC2 system.

3D Gears Golf is the most advanced data capture and training system for swing analysis, instruction and club fitting. The system creates real-time 3D video using a combination of high speed cameras and special motion-capture video equipment for you to view back from any angle and with any type of swing.

The Putting Lab uses the fantastic SAM PuttLab to help you to understand the importance of the club face and the fundamentals enabling you to hit the ball on the target line you choose with a stroke that is consistent and repeatable.

The Academy offers free scholarships to local youngsters and is a fantastic way of developing their golfing ability. There's no better way than to get a child involved young and get them enjoying a sport which can last them a lifetime.

The Academy is open to members and non-members of all ages for those interested in learning how to play golf and we offer a range of coaching options to suit any individual to help inspire you to practise effectively, improve dramatically and have more fun from the game as you reach your full potential.

At Magnolia Park our commitment is to the improvement of your all-round game, as well as supporting youngsters looking to take up the sport.

## CLUBHOUSE & FACILITIES

---

Magnolia Park offers first class golfing facilities allied to wonderful hospitality, great dining and top quality service, all set in the perfect rural backdrop.

The Tony Jacklin Bar & Grill serves a wide range of superb dishes, and shows all the biggest and best sporting events live on satellite television.

Our 30-bedroom Best Western Plus Magnolia Park Hotel offers wonderful accommodation with individually styled rooms, set over two floors with views across the golf course and surrounding countryside.

Members and visitors can make use of our fully equipped gym, with sauna and steam rooms. As well as playing some great golf, you can also enjoy clay shooting, archery on site or try a spot of relaxing fly fishing on our well stocked lake.

If you're looking to treat yourself to some great new golf gear or if you're hunting for the perfect golfing gift, then look no further than the Pro Shop here at Magnolia Park. It's stocked with quality clothing and equipment from all the best brands around.

When the time comes to relax, you can rest assured that our courteous and efficient staff will take care of even the smallest details of service in wonderful surroundings for both members and visitors to Magnolia Park Hotel, Golf & Country Club.
