EXPERIENCE BUCKHEAD'S PREMIER CULINARY DESTINATION

- **American Cut** is a world-renowned steakhouse featuring signature interpretations on fine dining classics in a unique multi-level dining setting. A first level lounge and bar delights guests with a special bar menu and daily drink specials. The second level of the restaurant boasts a glamorous, large main dining room alongside two private dining rooms where guests can enjoy an Atlanta-inspired signature menu for an upscale and decadent dining experience.
- Founded by Kristen Hard, **Cacao** specializes in the creation of exquisite origin-driven chocolate and confections.
- **Doraku Sushi** reinvents the Japanese restaurant experience by capturing the flavors of Latin cuisine while paying homage to traditional Japanese sushi. To create a truly authentic experience, the restaurant itself was modeled after an Izakaya, a Japanese gastropub. Doraku also has one of the most extensive sake menus in the United States. Each year, the team travels to Japan to hand-select new varieties of artisanal sakes from local micro-distilleries to fill Doraku's selection.
- **Fadó Irish Pub** prides itself on made-from-scratch cooking, quality craft beers and house-made cocktails. Fadó was part of Buckhead's heyday in the 1990s, and with the development of The Shops Buckhead Atlanta, the restaurant upgraded to a beautiful three-story building on Buckhead Avenue that features several rooftop patios where visitors enjoy spectacular views.

- **Georgetown Cupcake** is a bright shop selling artfully decorated cupcakes in classic and innovative flavors in addition to daily specials. Sisters Katherine Kallinis Berman and Sophie Kallinis LaMontagne are the co-founders and stars of the hit series “DC Cupcakes” on TLC.
- Spanish concept **Gypsy Kitchen** offers dishes with modern influences that feature flavors from India, Morocco and Southeast Asia. Gypsy Kitchen has indoor and outdoor seating as well as an award-winning open-air rooftop patio with lounge seating, a 360-degree indoor/outdoor bar and live entertainment.
- Reminiscent of a charming European square, **Le Bilboquet** is located in Center Plaza at The Shops Buckhead Atlanta. Open daily for lunch and dinner, the bistro and bar offer a vibrant atmosphere paired with simple, classic French cooking, bringing a slice of Parisian café culture to Atlanta, along with a cozy destination to enjoy a chilled bottle of rosé alfresco alongside classic bistro dishes, or a craft beer and croque monsieur at the casual bar.
- **Qing Mu Noodle Co.** brings Chinese food back to its traditional roots and excites the American palate with only the healthiest and freshest ingredients. Inspired by China’s countryside streets, Qing Mu offers noodle bowls in a modern atmosphere.
- Offering striking views of the Atlanta skyline, **The Regent Cocktail Club** redefines cocktail culture with an exceptionally talented group of passionate bartenders and mixologists and bespoke approach to craft cocktails.
- This two-story **Shake Shack** features all the Shake Shack classics, including their beloved burgers, hot dogs, and crinkle cut fries, plus a selection of location- specific frozen custard concretes made with local ingredients from H&F Bread Co and Cacao Atlanta Chocolate Co.
- **The Southern Gentleman** is a Southern-inspired gastropub that celebrates every aspect of what it means to be from the South with a fresh, modern take on traditional dishes made with locally sourced ingredients. The bar offerings explore the artistry and history of classic Southern cocktails—everything from barrel-aged cocktails to bottled libations to adult beverages on tap, along with New World wines, craft beers and the “perfect” Southern mint julep.
- **Taverna** is a warm and inviting neighborhood restaurant specializing in Northern Italian delights ranging from oven-fired pizzas and salads to fabulous homemade risotto.

Dining destinations premiering soon include: **Mourning Dove by Revelator Coffee** and **Amorino Gelato**.

Many of the restaurants also provide romantic private dining for two or festive group dining, customized experiences, and events for visitors and MICE groups.
